

LinkStation™ Mini SSD

A niche product for a very specific type of user who requires a very quiet, highly reliable and compact NAS solution. Ideal for technology early adopters.

- | **Quiet: Fanless chassis with SSD – gives complete quietness**
- | **Compact design: Fits in the hand!**
- | **DLNA support: Share movies and play music with the DLNA certified media player**
- | **WebAccess: Access your digital content via a PC, Mac or iPhone**

LinkStation™ Mini SSD

The Buffalo LinkStation™ Mini SSD is the first compact, shared, Network Attached Storage (NAS) Solid State Disk (SSD) device in the world! The small, fanless and motor-less device is an ultra silent, extremely reliable storage solution for anywhere in the home. Store, share and enjoy digital content from all devices connected to the home network with the LinkStation Mini SSD. With the one touch direct copy function, view photos and movies from your camcorder or digital camera via the USB port. The in-built DNLA media server can seamlessly stream movies to a PC, Mac or Buffalo LinkTheater or other DNLA certified entertainment devices. When a silent, compact, stylish NAS with no moving parts is required, the LinkStation Mini SSD is the perfect solution.

Key Specifications

- Ultra Silent due to the fanless design and SSD
- Greater Reliability – with no moving parts – get greater reliability than a standard hard disk drive
- Low Power Consumption
- WebAccess – allows you to store, share and access files from any web browser via PC, Mac or iPhone
- In-Built DNLA CERTIFIED™ media server – for easy playback of multi-media files to any DNLA certified device
- Seamlessly integrates with iTunes® and with access to your music files on the LinkStation Mini from your iTunes software
- Supports Apple Time Machine, Apple Bonjour
- Supports Active Directory
- Auto Power On/Off with your PC
- Direct copy function - copy multimedia files from attached USB devices directly to the LinkStation Mini
- In-Built print server to print documents from anywhere on your network
- Easy to Install and Set-up - does not require drivers
- Supports UPS connectivity via USB port
- Expand storage by adding a USB 2.0 hard drive
- Includes Memeo™ AutoBackup Software for Windows or Macintosh
- 10/100/1000 Gigabit Ethernet with JumboFrame support
- Supports RAID 0/1

SPECIFICATIONS

LAN Interface

Standard Compliance	IEEE802.3ab/IEEE802.3u/IEEE802.3 Standard
Transmission Speed	10/100/1000Mbps
Connector Type	RJ-45
Number of Ports	1 (Auto MDIX)

USB Interface

Standard Compliance	USB 2.0
Connector Type	USB Type A
Number of Ports	1
Data Transmission Speed	Max 480Mbps

Internal Hard Drives

Number of Drives	2
Drive Interface	SATA
Hard Drive Sizes	240GB
Supported Operation Mode	RAID 0, 1 and Standard

Protocol Support

Networking	TCP/IP
File Sharing	SMB/CIFS, AFP, FTP
Management	HTTP
AD Authentication	LDAP

Other

OS Compatibility	Windows 2000/XP/Vista, Windows Server 2008/2003, MAC OS 10.3 or higher
Dimensions	82mm x 40mm x 135mm
Weight	0.5Kg
Power Consumption	10W
Operating Environment	5-35°C, 10-80% (non-condensing)
Power Supply	External AC 100-240V 50/60Hz

Product Part Numbers

LS-WSS240GL/R1
